

Call for Innovation Smart Cities Challenge

Addendum III - Corridor Vision - Information Session

Hosted by the Greater Vancouver Board of Trade, the Cities of Vancouver and Surrey will outline the vision for the two proposed corridor sites and welcome questions to support potential partners in the development of their project proposals. The joint team recently published an [addendum](#) to the initial [Call For Innovation](#) that outlines the location of the proposed corridors and the key outcomes the Cities would like to achieve through this opportunity.
